Dear Dennis:

Thank you for the information recently sent concerning the above named individual. This is most complete and enabled us to start a file which will lead to refusal of future registration attempts.

We would like the outcome of the legal action, once it has been completed. The conviction and sentencing would help to strengthen our file and will enable us to refuse registration anywhere in the country, once the trial system has done it's duty.

Thanks for your help in completing this file.

Dear Mr. Petitt:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

Dennis P. Cook  
Scout Executive
